Please see the notes of Law Deptt. above.

With reference to "A" above it is submitted that in G.O.MS.No.3304, P.W., dt.6.11.47, general principles were laid down for the equitable apportionment of revenues derived from ferries which lie in the jurisdiction of different local bodies. The Law Deptt. pointed out that the said G.O. did not have a statutory backing. With a view to provide statutory backing to the principles enunciated in the said G.O., Section 10(4) of the Madras Canals and Public Ferries Act, 1890 (Madras Act II of 1890) was amended suitably by the M.C. & P.F.(Amendment) Act,

b

1956 (Madras Act I of 1956). The Amendment was also given retrospective effect from the date of the G.O. (i.e. 6.11.47).
